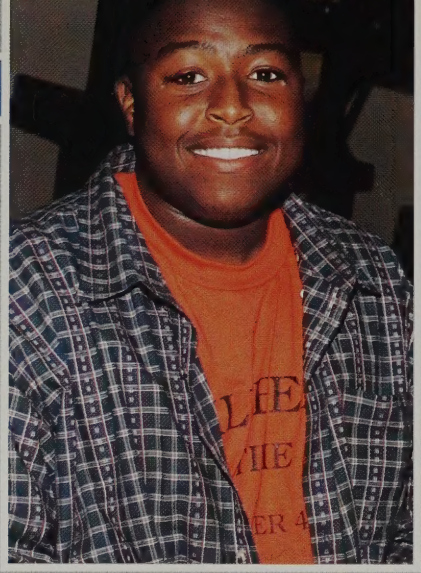
R
CRUSH

"We the class of 1996 dedicate this yearbook to three very important people who have greatly influenced our lives.

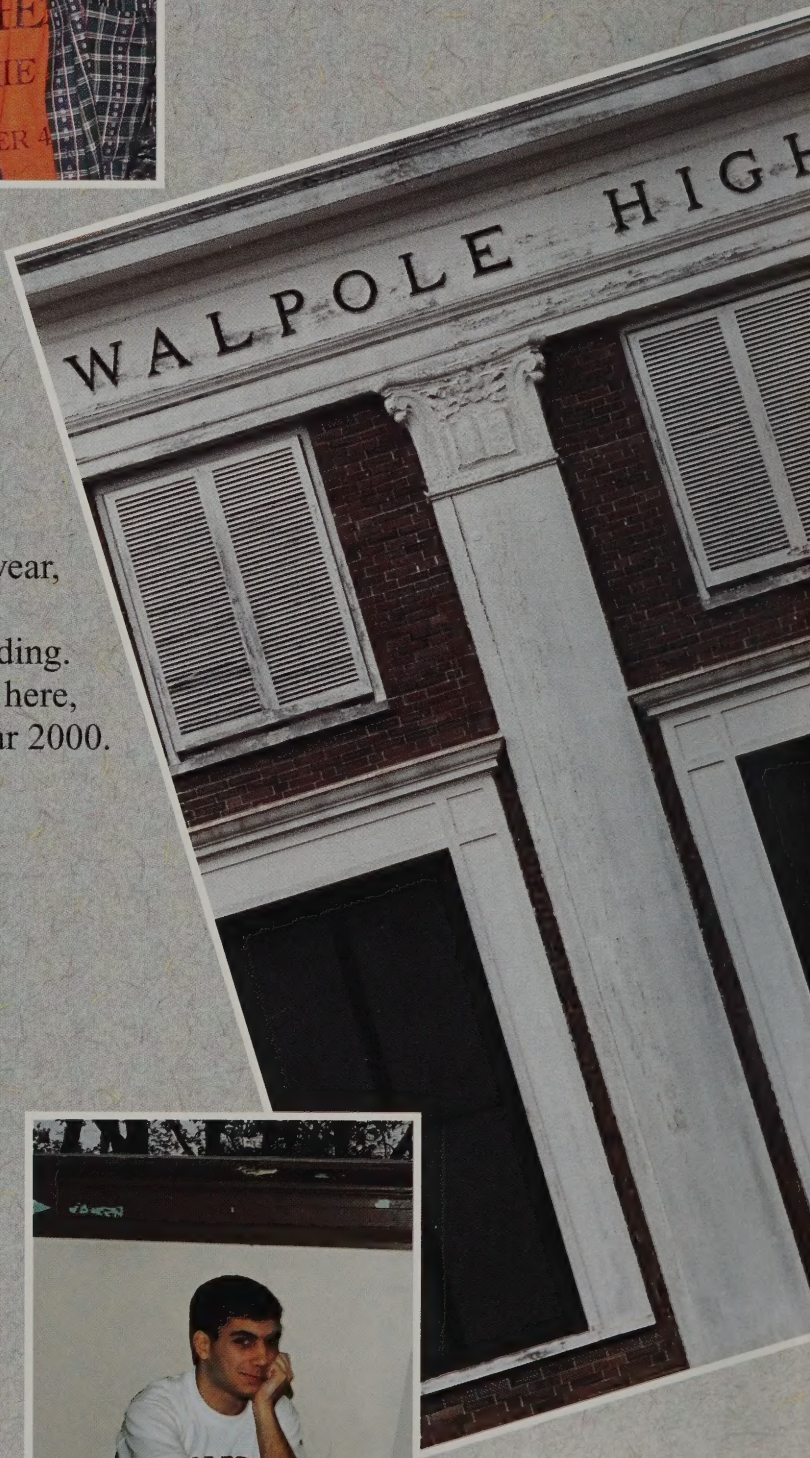
We dedicate this yearbook to Mr. Lester Burch, Principal of Walpole High School, who retired this year and left us more knowledgeable and richer for having provided us with a better learning environment.

We dedicate this yearbook to Mr. Robert Coviello, committed longtime Walpole High history teacher, who passed away during the summer of '95, cutting short a life far too early.

We dedicate this yearbook to John "Jackie" Reardon, fellow student of the Class of '96, whose life was also cut short too early, but will always remain in the hearts and minds of each and everyone of us."



Take a Good Look!



1996 was a very important year for the future of the Walpole High building. This year, school officials proposed a multi-year addition/renovation plan for the entire building. If all goes well, the building face, pictured here, will have a completely new look by the year 2000.

Thank You, Mr. Burch ...

After seventeen years of service to Walpole High School, Principal Lester Burch will leave behind a legacy unlike any of the other principals who preceded him.

After joining WHS in 1979, Mr. Burch continued to follow his philosophy of respecting everyone and sharing in not only their victories, but also their failures. He will be remembered for his letters signed, "Your friend and principal ... "

His goal was clear: create a positive environment for teacher and student. He believed that an organization cannot succeed without a climate in which people can feel good about themselves and their work. He wanted people to recognize WHS as a body of students that respect themselves and others.

Mr. Burch prided himself in establishing the Walpole Hall of Fame, enabling students to be inspired by former WHS students. He believed education is one of the most critical professions because it involves the molding of young people's minds. This was a daily challenge that was taken seriously by Mr. Burch. Thanks to his dedicated work, WHS is a place of education and respect.

"Respect for authority implies trust and obedience to its judgment. Never respect authority which is not of itself worthy of your respect. For obedience for its own sake is insanity." — Alan Ashley Pitt

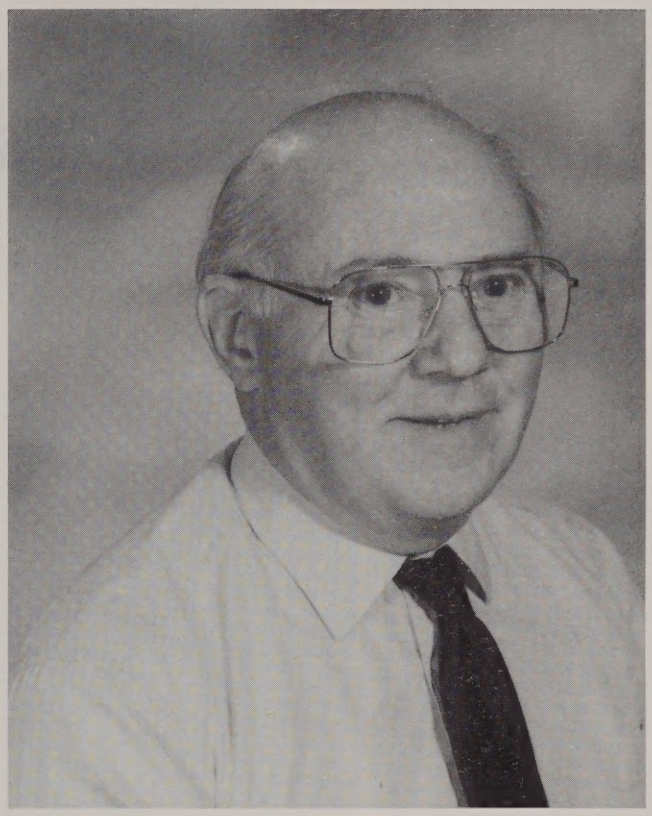
In Memoriam

It is with deep sorrow that the class of 1996 dedicates this yearbook to Mr. Robert Coviello, who passed away last summer, and will always be a presence in our hearts and minds.

Mr. Coviello, in his 25 years of dedicated teaching, devoted much time to U.S. History, International Relations, and Economics/Sociology. During this time he was coauthor of a textbook entitled *American Traditions*. He will be most remembered for his creativity and erudition, which never ceased to inspire us.

Among the memories that students will cherish is the time that Mr. Coviello brought in an impersonator of a Nazi as the class was learning about World War II. Mr. Coviello always explored new and stimulating ways to teach his students. Also, Mr. Coviello brought Spotlight, a program that offers education and discussion on current topics to Walpole.

Mr. Coviello had a passionate desire to instill an inquisitive outlook on life. Fondly referred to as the "Covs" by students and colleagues alike, he will leave behind memories of the warm personality, care, and concern he had for all.



"He believed his beliefs, he practiced what he preached. Whether he was teaching in the classroom or engaging in an extracurricular activity, Mr. Robert Coviello prepared his students for the real world." — Mr. Tom Morris

"He deeply loved his profession and Walpole High School. Above all he was committed to educating his students by continually seeking new motivational techniques in methodology in order to make Social Studies relevant to our everyday lives." — Mr. Lester Burch

It is better to have loved and lost ...

On August 29, 1995 Walpole High School lost a student and a friend. The Class of 1996 would like to dedicate our yearbook to the memory of John (Jackie) Reardon. "Always loved and never forgotten."

I'm Free

I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found that place at the close of day.

If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Ah yes, these things, I too, will miss.

Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up heart and share with me,
Because now, I am free.

than to have never loved at all.

Boys' Cross Country Takes

Bay State League Title

The Boys' Cross Country team marched through the Bay State League undefeated with a 10-0 record. They were led by senior captains Kevin Gray, John Hagberg, and Tim Cimeno. The trio were the top three runners for the Rebels in every race. The biggest victory for the team this year was over league runner up, Norwood. The runnin' Rebels swept the first four places to establish themselves as the league's best. The team also took first at the Catholic Memorial Invitational as a team. As an individual Kevin Gray placed first in the Catholic Memorial Invitational and the Eastern Mass. Division 3 State meet. In the State meet Kevin finished a close second losing by three inches to the runner with the fastest time of the day.

Toward the Future

The Girls' Cross Country Team this year was led by Senior Captains Jennifer McSweeney and Heather Fuller. Although the 2-7 overall record does not reflect the effort given by the lady Rebels throughout the season. It was a season of gutsy individual performances and near misses for the girls. The Team was led by the 1-2 punch of Senior Jen McSweeney and Junior Karin Swenson. In total, Jen placed first four times and Karin, five.

The tri-meet against Newton and Wellesley went exceptionally well as the Rebels swept Wellesley but were beaten by champion Newton North. At the conclusion of the season, Karin was named to the Daily Transcript All-Star Team.

Rebels Win Division Two

Super Bowl

The 1995 football season, was one that put Walpole High Football back on the map. With a 28-14 victory over Tewksbury, the number one team in the state, the Rebels were crowned Division 2B Superbowl Champions.

After strenuous work in the off season, which included Gut-Camp, Bay State Camp, Camp Marist and numerous team meetings, the Rebs were ready to kick off their Superbowl journey at home against Braintree. The team went through most of the schedule without difficulty, until they reached Needham. This was just one of those days when they just couldn't get things going, as they lost the battle 10-0. After rebounding from the loss with a win over Framingham, the gridiron team lost another hard fought battle against Division 1 foe Waltham on a freezing cold Thanksgiving morning.

Under third year head coach, Chuck Grant, the Rebel football team prepared for their first Superbowl appearance in three years. Despite heavy snow, the Rebs hosted a very talented and quick team. The undefeated Redmen came to town on December 2, 1995, to knock heads with the mighty Rebels. After an uncontested first half, the team never got over confident and closed the season with a Superbowl Championship.

The team was lead by quad-captains: Frost Hubbard, Matt Cedrone, Keith Taglienti and Bob Rosenthal. The season was especially memorable to Coach Grant who captured his first of hopefully many Superbowl titles, and erased all doubts that people may have had of him as being a successful high school football coach. Congratulations to Coach Grant and his football Rebels.

Bay State Champs!

For Coach Bill Tompkins and the Rebels, this season, the wins just kept on coming. For the first time in W.H.S. history the baseball team brought home the Division I South Sectional Championship, they won the overall Bay State League Championship with a 12-2 regular season record for the fourth time in 8 years, they enjoyed a ten game winning streak during the regular season, they set their own personal best record for the most wins in a season (20), and they beat rival Norwood 2-1 in the semi-final sectionals. Whew!

Leading the team were senior co-captains Mike Anzalone (Outfielder, 2nd Team B.S.L. All-Star Team) and Frost Hubbard (Catcher, Bay State League MVP, 1st Team B.S.L. All-Star, Umpires Award for Sportsmanship, Daily Transcript All-Star, Boston Herald All-Scholastic).

Other seniors on the team included Alex Bering (D.H., Pitcher), Pat Collins (3rd Base), Mike Malin (Outfield), Dan Terio (1st Base, 1st Team B.S.L. All-Star, Daily Transcript All-Star) and Adam Wozniak (Shortstop).

Two other players on the team deserving recognition were juniors John Birtwell (Pitcher, 1st Team B.S.L. All-Star, Daily Transcript All-Star, MVP of Sectional Division I South Tournament) and Tim Larkin (Pitcher, 2nd Team B.S.L. All-Star, Daily Transcript All-Star).

Seniors Liz Albrecht and Shauna Cavanaugh took on the responsibility of captains. Junior Andrea Ruggiero and Sophomore Jen Cedrone were chosen all-stars.

Season highlights included a pair of victories over Wellesley as well as a key win over Needham. There was a close encounter with Brookline which came up short. A great second match was played against Milton. The Rebels opened the State Tournament with a 3-1 win over Acton-Boxboro.

Determined

The 1995-1996 Boys' Varsity Basketball team finished the season with a record of 5 wins and 15 losses. Despite the numbers, the effort put in by the team was impressive. The squad was led by senior co-captains Jeff Scott and Dan Terio with support from junior Jason Johanessen and sophomore Mike Hurley. Terio was named Redman Rebel Round-up All-star Team.

> "The season was highlighted by a win over Newton North"

To their credit, the boys' put a good fight against Wellesley in a double overtime game in which Wellesley prevailed, 66 to 63. The highlight of the season came during the Newton North game when the Rebels beat them on their own turf, 52 to 50.

Rebels excel

Coach Stephen Waisgerber's first campaign as head girl's basketball coach was a successful one. They were Herget Division champions with an overall record of 13-8 and 10-4 in the Bay State Conference. Led by Senior co-captains Kim O'Connell and Tina McDavitt, the team took leaps and bounds to mature into a post season contender.

In the state tournament the team lost to very tough Sandwich, seeded fifth, 44-41. Meg Keaney and First team Bay State Conference All-stars Katie Mahoney and Sue Shields were instrumental in the success of this year's team. With a start to Coach Waisgerber's head coaching career like this, it appears that the storied tradition of Walpole Girls' Basketball will continue.

Boys' Winter Track Finishes Strong

After the last runner crossed the finish line, the Boys' Winter Track team was able to be very proud of their successful season. The team had one of the best season records in the school's history. The team finished with a 6-0-1 record and were only 4 points away from a Herget division title. Although the team did not have tremendous depth, the runners were strong and very dedicated.

The season started on Dec. 12 with a fantastic win over Framingham. After gaining some well needed confidence the boys' then rattled off five straight victories over tough Bay State League competitors. Although they suffered a tough loss to Milton, they could still be proud of their valiant efforts.

Finishing the season in strong form for the boys were lead runners: Frost Hubbard (600); Tim Morris (mile); Chris Benevides (300); and Brian Mallette (high jump); All qualified for the state meet, but did not compete except for solo runner Kevin Gray who competed in the two mile.

Lady Rebels

When the last gun was fired to close out the season, the Girls' Winter Track team walked away with their heads held high. They were able to be proud of a successful, competitive season. The Rebs came away with a 5-2-0 record, despite lacking in depth. With strong and dedicated runners, they were able to overcome this obstacle.

> "With strong and dedicated runners, they were able to overcome ... "

Individually for the Ladies, Lori Collins ran to become the champion of the two mile at the Class C State meet, received fourth place at the All-State meet, and continued on to run at the New Englands where she crossed in at second place. Ellen Dwyer earned second place in the mile at the State meet, and fourth at the All-State meet. Amanda Lodge received two honors, fifth in the 300 and in the high jump. Rebel runner Tracy Pendergast seemed to have the potential to be a top finisher in the 600, had an unfortunate trip caused by an opponent during a race and was forced to discontinue her season.

Hockey Team wins Herget Division

The Hockey Team had a great season with a 14-7-2 record that earned them a berth in the state tournament while grabbing the Herget Division Title along the way.

The team squared off against St. Peter's (Marian) in the first round of the tourney and was dealt a tough loss. Tim Keenan and Jeff D'Arcy were the captains of this talented team but a host of other seniors helped the team do something that they hadn't done since 1988 ... sweep Milton.

Girls' Tumble through Tough Season in GYMNASTICS

With an overall record of 2-8 and 1-5 in the Bay State League, the Girls' Gymnastics team had a rough season.

The one bright spot for the team was when they upset powerhouse Newton North by two tenths of a point on the last routine, the floor exercise.

In the conference meet the team fared well. Christine Lanzoni placed sixth on the bars and Stacey Coleman placed third all around qualifying Coleman for States.

Have no fear though, this young team of no seniors can only get better with age under the direction of junior Devoni Quinlan, captain.

Wrestlers Post Successful Season

The wrestling team had a unforgettable season finishing 11-2-1 overall and 8-2 in the league. They were second in the Herget Division and second in the Bay State Conference to undefeated Natick. The team was led by senior captains Ed Verrochi and Mark Thomas.

The team started off the season with a successful King Philip Tournament. Six wrestlers placed: Verrochi (first place) at 171, Thomas (second) at 135, Brian Spillane (second) at 152, Matt Conley (fourth) at 130 and Mike Howe (third) at 160.

> "Walpole Wrestling Number 2 in the Bay State Conference."

The team also shined in post season. At sectionals, six wrestlers qualified for the States. Justin Lutz (fourth) at 119, Dave Conley (sixth) at 135, Matt Conley (third), Kevin O'Leary (third) at 145. Howe (fifth) and Verrochi (first). Verrochi was Walpole's first sectional champion since Matt Wassell. Verrochi placed fifth at the Division Two State Championships also.

Girls' Tennis Rebuilds

The Girls' Tennis Team had a very strong year despite it being what Coach Joanne Sprague calls "a rebuilding year." The team made it to the sectional semi-finals where they defeated Silver-Lake 4-1 but then lost to Brookline.

Highlights of the season include the game against Framingham when they dropped the first set of 4 of 5 matches but then were able to turn things around and beat them 4 to 1, and junior Julie Peckham's 14-2 record. Peckham only lost twice to Brookline's Terry Ashley who is ranked number 12 in the country.

> "Lauren Binder did an outstanding job."
> — Joanne Sprague, Coach

Seniors on the team were Hema Sarangapani (doubles) and captain Lauren Binder who did an outstanding job. Binder went from being number one in the Bay State Conference last year with doubles partner Jen Lougee to playing singles this year. "She handled it well," said Sprague.

Bay State Conference All-Stars were #1 Peckham, #2 Binder and Honorable Mention to Freshmen Kristen McCone who finished the season with an impressive 12-3 record. All three were also named Daily Transcript All-Stars.

Boys' Tennis on Upward Swing

The Varsity Boys' Tennis Team accomplished exactly what they set out to do this year, play better than they did last year. Finishing with a 7-9 record, the team placed third in the Herget Division Bay State League beating last year's record of 4-12.

The highlight of the season according to Coach Doug Grant was the 3-2 loss to the number one team in the league Newton North who had been shutting every other high school team out all season. The fact that the Rebels scored on them showed the strength of this team.

> "Next year, we should be a contender for the state tournament."
> — Doug Grant, Coach

Leading the team was captain Bill Greener (Singles, B.S.L. All-Star Team for the 3rd straight year). Seniors as well as doubles partners on the team were Bill O'Connell and Jared Ruggeri who both had consistent seasons. With O'Connell's 3 years of experience backing him up and Ruggeri's athletic ability, the two made a great doubles team, says Grant.

Besides O'Connell this year the team had three other top players return including Greener, Paul Brigham and Sean Fitzgerald. Grant is confident that the talent shown this year will surely bring them to the state tournament level next year.

The team was led by senior co-captains Tracey Pendergast (pitcher) and Kim O'Connell (third base). Other seniors on the team included Beth Thorley (pitcher), Andrea Soderstrom (outfield), Amy Winston (third base, DH) and Tina McDavitt (outfield).

Pendergast was named Bay State Conference MVP and 1st Team All-Star. O'Connell was named to the 2nd Team All-Star.

Also making some noise on the team were juniors Jill D'Arcy named to the Boston Herald 1st Team All-Star as well as the Bay State Conference 1st Team All-Star, Emily Hunt who was also named Bay State Conference 1st Team All-Star and Dina Rizzo named to the Bay State Conference 2nd Team All-Star.

As for Coach Turco, his favorite part of the season was "observing a group of girls mold themselves into a playing unit that became one of the best he ever had."

Giving it their all,

Girls' Lacrosse

Their 0-14 record might not look good on paper, but the Girls' Lacrosse Team gave it their all this season and improved a great deal.

According to Head Coach Julianna Madden, the Brookline game was definitely one of the highlights of the year. "It was the game where the girls showed everything that they had learned all year. I can't even tell you how proud I was of them even though the score was 19-9."

The team was led by tri-captains senior Leigh Harrington, and juniors Jessica Shea and Cassie Fiorio. Harrington's accomplishments on and off the field were tremendous as she was nominated for All-Scholastic and named a Bay State All-Star along with Fiorio.

"The girls came very far. Their record doesn't show how good they are. Their level of play is definitely more experienced than it was at the beginning of the year," says Madden.

The future looks good for the girls. With only one senior player on the team, it can be expected that experience will guide this team to victory very soon!

Like the Girls' Lacrosse Team the Boys' Lacrosse Team's 1-16 record does not adequately reflect the ability or enthusiasm of this team.

The highlights of the season include the team's 11-7 victory over Westwood, winning a quarter against Xaverian and a half against Brookline.

Senior co-captains Matt Eaton and Brian Gilmore (MVP and Offensive Player Award winner) lead the Rebels along with seniors Josh Feeney (leading scorer), John Kaszanek (Defensive Player Award winner), Brendan O'Connor and Kevin O'Leary.

> "Next year we'll be more experienced and more competitive"
> — Ed Moritz Coach

Underclassmen Matt Eldred (11th Player Award, '97 captain), Rob Toran (Most Improved) and Rookie of the Year Eric Anzlovar also had strong showings on the field.

According to Coach Ed Moritz this was a "young inexperienced team who will be more competitive next year." The JV Team won 3 games this year so they will have a positive impact on next year. "The young guys coming up will add strength to the team next season," said Moritz.

Moritz said that the best part of the season for him was the large turnout of players, the enthusiasm and hard work they showed, and the support from the parents and Walpole High Faculty.

1996 YEARBOOK COMMITTEE

by Kenny Kneeland

"Each time you look through this book, may it bring back the best of your senior year and the times we've shared together."

The goal of this year's Yearbook Committee was simple: To create the best possible yearbook while confining it to our budget.

The enthusiasm was great, we had no lack of participants. After chasing down seniors, clubs, teachers and special events, we put together a book that best represents the school year that was 1995-1995.

The Yearbook Committee held various fund raisers including a raffle for Bruins tickets and the memorable Patriots versus the Faculty basketball game held in April. With the added support of parent messages and business ads, the Yearbook managed to fund the book that will bring back memories for years to come.

On behalf of all of the members of the Yearbook Committee, we hope you will enjoy this book and frequently pull it out to refresh old memories.

AIDS Quilt visits WHS

Thanks to the school nurse, Mrs. Nashawaty, this year we were able to have pieces of the AIDS Quilt as part of the National Health Fair. Dressed in all white the Peer Leaders were in charge of setting up the gym and the handling of the quilt. In the long run the days activities went well and the Aids Quilt proved to have a lasting effect on the students.

"Love Rides The Rails"

In the Fall, the Walpole Players put on the "campy" comedy production "Love Rides the Rails," about evil crooks (played by Mark Hogan and Brian Hann) who try to take over a railroad company owned by the Widow Hopewell. While trying to steal Hopewell's stock, Simon Darkwell (Hogan) meets and falls in love with Prudence, the widow's daughter.

In an effort to win her over, Darkwell tries to trick her fiance Truman Pendennice (Damien White) in to falling for Carlotta Cortez (Elena Vitelli). He also tries to kill him.

In the end love wins out over evil as Prudence saves Truman and gets her final revenge by forcing the evil men to pull the train at the hands of a whip.

Liz Mantone as Widow Hopwell prays for strength to her deceased husband.

Things get complicated at work when a misunderstanding happens involving Graham, Lois Lane (played by Elise Reynard) and Vanessi over a bouquet of flowers meant for Lois but delivered to Lilli accidentally.

In the end, Fred and Lilli rekindle their romance and live happily ever after.

Erin Dornan
Valedictorian

"And to my classmates, congratulations to all. I know that we have all traveled down different roads to be here today. Some roads have been a little easier than others, paved smoothly with childhoods of bliss. Other roads have been more rocky, challenging us to find our way through jagged realities of life ... realities such as my illness and the illnesses you may have dealt with, or perhaps the feelings of loss, separation and bereavement that we are all destined to encounter, as we are only human. But as Enya bitterly sings, "Time gives both darkness and dreams to you." Savor them equally, for it is only through knowing pain that we can also know joy. We all know how trying life can be, but we can find resiliency in knowing that life can offer many possibilities. Never end the search for them."

"But it is so important for us to remember that there is and always will be hope even amidst the sometimes chaotic nature of our world and our lives. Think of our class motto. "It's time for a new generation of leadership, to cope with new problems and opportunities for there is a new world to be won." (JFK) Today's world is our challenge, and the bright rays of hope that we all see every so often serve as our incentive to make the changes that are sorely needed. Our every action, no matter how small, marks an intricate detail on the fabric of life."
